❖ Education and training

Continuing professional training from 1 January 2014

Professional Licensure as an Architect issued by the University of Florence on January 14, 2002

Bachelor of Architecture awarded on 21st March 2000

Scientific High School Diploma awarded in 1989.

❖ Skills and competences

Mother tongue: Italian

Other language: English - intermediate level 1 obtained at the Linguistic Center of the University of Florence - language being studied through courses and conversations with native speakers.

Other language: French - basic level achieved through a course.

Social skills and competences

I relate to specific colleagues and partners, in my professional activity, coordinating and sharing projects that involve different sectors. I have gained experience in teamwork and effective communication, as a member of the Board of Directors of the Florence Architects Foundation (ref. In "Further information").

Organization skills

I manage complex projects and economic plans, with the inter-disciplinary coordination and the necessary organizational and logistical work practice. The size of my technical office is small and therefore I manage a lot independently and directly.

Technical skills and competences

Architectural design

Interior design

Construction management

Draftsman and graphic design with AutoCAD, Photoshop and InDesign programs

Computer skills

I use preferably the Windows platform, but I have used the Mac too. I use AutoCAD 2d, AutoCAD 3d basis, Words, Excel, Photoshop and InDesign. In the past I have used ArchiCad 3d and Sketchup 3d.

Hobbies: I belong to a theater company.

Driving licenses: Italian Class B and American Class D Passenger Permit.

❖ Further information

I was a member of the Board of Directors of the Florence Architects Foundation from 27 January 2010 to 19 December 2013, appointed by the Order of Architects of Florence.

I was a member of the Town Planning Commission of the Municipality of Certaldo, from 28 February 2011 to 28 February 2016, as an expert in building and urban recovery.
