Senior Designer

Live: The Galante Architectural Studio - <https://galantearchitecture.com/>

The architectural firm specializes in Institutional, Commercial, Municipal and Residential projects.

As a senior designer I worked on several projects with the following tasks: Feasibility Study (FS), Schematic Design (SD), Design Development (DD), Permit Set (PS), Construction Documents (CD) and Construction Administration (CA).

The tasks include design presentations to the clients, selection and assembly of finish boards, selection of furniture, fixtures and appliances.

Relevant projects:

- Chelmsford Fire Stations 3&5 (Municipal projects): DD, CD & CA - Live
- Wilmington Fire SS (Municipal projects): SD & DD - Live
- Boston FD Engine 3 (Municipal projects): SD - Live
- 10 Hilliard Place (Residential project): DD, PS, CD & CA
- 116 Myrtle St (Residential project): SD, DD, PS, CD & CA
- 20 Scanlon pedestrian Bridge (Commercial Building): CA - Live
- Seekonk FD (Municipal project): SD, DD & CD
- Belmont Ice Rink (Commercial project): CD
- Fitchburg 8 schools security upgrades (Municipal project): FS
- Medford FD HQ (Municipal project): FS
- Lamar Public Safety Buildings (Municipal project): FS

Designer

2021 - 2022: RP Architectural Studio - <https://www.rparchitectstudio.com/>

The architecture firm, as my first experience in the United States, is specializes in residential, retail and commercial projects.

As a designer I worked on metrical surveys, graphic digitalization, design options, design development and permit set documentation.

Interests

I would like to go back into theatre acting, as I was doing in Italy

Personal Information
